Re: Club or Organization \_\_\_\_\_

Dear \_\_\_\_\_,

As many of you know, my Girl Scout Silver Award project was to organize and hold the first J.R. Tucker Refresh Clean up Day. For my Gold Award I want to make sure that the momentum started by the Refresh Committee continues long after I graduate from high school next year. I am currently developing a book and CD of all areas around campus that volunteers can take care of. My hope is that this book will be a foundation for SCA and PTSA representatives to beautify and appreciate our school grounds.

Many of you adopted a spot through the SCA a few years ago. Please let me know what spot you have and if you would like to continue maintaining that area. If your organizational has not already done so, now is the time to get involved.

My hope is that all J.R. Tucker organizations will want to have a spot to maintain. Remember, any after-school hours your student members spend working on your area can be claimed for community service. Through the Refresh Committee, I have scheduled a spring clean up day for Saturday, April 24<sup>th</sup>. This would be a great opportunity for your group to start on their project. The Refresh Committee will work with you to provide the plans, supplies, and other materials needed.

All Tigers know that Tucker is a huge complex and difficult at times to maintain. It is said that JRT is Henrico's best kept secret. I think it's time to let the cat, in this case a tiger, out of the bag. I look forward to working with you!
